

## E2A-S18KS08-M1-B1

Proximity sensor, inductive, stainless steel, short body, M18, shielded, 8 mm, DC, 3-wire, PNP NO, M12 connector

# Specifications

|                          |                 |
|--------------------------|-----------------|
| Size                     | M18             |
| Mounting type            | Flush           |
| Sensing distance         | 8 mm            |
| Output type              | PNP             |
| Operation mode           | NO              |
| Connection method        | Connector M12   |
| Material housing         | Stainless steel |
| Cable specifications     | -               |
| Overall length of sensor | 53 mm           |
| Thread length            | 39 mm           |
